

WHO WE ARE

We are Beats & Pieces Big Band, run by Artistic Director Ben Cottrell and manager Daniela Gerstmann. We work from our home addresses so will not include a contact address here for obvious reasons, but you can reach us via email at info@beatsnpieces.net

YOUR PRIVACY

We are committed to maintaining the trust and confidence of our audience, including visitors to our web site. In particular, we want you to know that we will never sell, rent or trade email lists with other individuals, companies and/or businesses for marketing or any other purpose. In this Privacy Policy, we'll go into more detail on when and why we collect your personal information, how we use it, the limited conditions under which we may disclose it to others and how we keep it secure.

Our website contains links to information on other websites. We cannot be responsible for the protection and privacy of any information that you provide while visiting those sites that we do not control. Those sites are not governed by this Privacy Policy, and you'll need to check that site's privacy statement if you have questions about how a site uses your information.

TYPES OF DATA WE COLLECT AND WHY

Website Cookies

Like most other websites, this site uses cookies – small text files that are placed on your machine to help the site provide a better user experience. In general, cookies are used to retain user preferences, store information for things like shopping carts, and provide anonymised tracking data to third party applications like Google Analytics (see below for more info on this) or Facebook. As a rule, cookies will make your browsing experience better. However, you may prefer to disable cookies on this site and on others. The most effective way to do this is to disable cookies in your browser. We suggest consulting the Help section of your browser or taking a look at [the About Cookies website](#) which offers guidance for all modern browsers.

Google Analytics

When someone visits our website we use a third party service, Google Analytics, to collect standard internet log information and details of visitor behaviour patterns. We do this to find out things such as the number of visitors to the various parts of the site. This information is only processed in a way which does not identify anyone. We do not make, and do not allow Google to make, any attempt to find out the identities of those visiting our website.

Mailing List

In order to stay in touch with our audience through email newsletters, we will need your email address. We may also use this information to contact you if we need to obtain or provide additional information; for example, to confirm our records are correct and to check every now and then that you're happy and satisfied. We don't sell, rent or trade our email list with other individuals, organisations or businesses.

We use a third-party provider, MailChimp, to deliver our newsletter. We gather statistics around email opening and clicks using industry standard technologies to help us monitor and improve our e-newsletter. For more information, please see [MailChimp's privacy notice](#). You can unsubscribe to general mailings at any time of the day or night by clicking the unsubscribe link at the bottom of any of our emails or by sending us an email at info@beatsnpieces.net

ACCESS TO YOUR PERSONAL INFORMATION

You are entitled to view, amend, or delete the personal information that we hold on you. Email your request to info@beatsnpieces.net and we'll get back to you as soon as possible.

CHANGES TO THIS PRIVACY POLICY

We reserve the right to change this Privacy Policy from time to time and without notice – if/when we do so we will make sure that the most up to date Policy is linked to from our website.

If you have any questions or concerns about our collection, use or disclosure of your personal information, please email us at info@beatsnpieces.net
